Connect with Team Canada Representatives!

Is your company exploring infrastructure opportunities around the world? Meet with experts who can help take your business global. Join trade commissioners from the Canadian **Trade Commissioner Service** (TCS), along with representatives from **Export Development Canada** (EDC) and the **Canadian Commercial Corporation** (CCC), to explore high-potential international markets.

These specialists will:

- ✓ Introduce you to key decision-makers from visiting foreign delegations
- ✓ Share insights on how to reduce risk, unlock new markets, and scale your business abroad
- ✓ Provide tailored information about the services available to support your global growth
